

# BRIDSTOW NEIGHBOURHOOD DEVELOPMENT PLAN

## Do you have any suitable land for future Development?

If you have any land within or adjacent to Bridstow (including Claytons, Bannuttree Lane and Buckcastle Hill) or Wilton that you think might be suitable for development and you wish the Neighbourhood Plan Working Group to consider, please let us know.

We are preparing a plan for the period up to 2031 and need to find land for housing and possibly other uses. At the moment we are simply trying to identify land that might be available and the uses that owners would be willing to release land for in order to assess possible options.

If you are prepared to make land available for specific uses at some time during the period up to 2031, please request a form from Stephen Machin, Moraston House, Bridstow, Ross-on-Wye. HR9 6QJ.
